

Team Building activities in
PORTAVENTURA PARK

Live your own adventure

A challenge not within everybody's reach... Dare you?

The participants, working into teams, will live their own adventure and will have to pass as many trials and to answer as many questions as possible, as well as to overcome the surprises the Park has in store for them.

In an atmosphere in which the only survivors will be the bravest, we propose the participants a teamwork activity in which they will have to manage themselves to be the most effective team when overcoming the challenge proposed.

They will be the stars of an unforgettable journey surrounded by a five world's unique atmosphere and the most exciting rides to enjoy. Dragon Khan, Hurakan Condor, Furius Baco... and Shambala, all of them will test the participant's ability to let themselves be surrounded by an incomparable atmosphere. The participants will have to get as many points as possible, so they will have to face:

Compulsory Points

Teams must show up along with all its members in these points located in two pleasant rides and make the most of them. The pictures that the teams will get free of charge with the two coupons included inside the material, will witness it.

Optional Points

They are located in the Park rides. A well-made strategy will allow the teams to show up in as many points as possible (the more, the better), get on the rides, and so, resolve more enigmas and add more points for the team. The punctuation will depend on the solving of the enigma not on the number of team members that go on the ride in order to solve it. This means that one member of the team is capable of overcoming the challenge and add points.

Compound Tests

With these tests the participants, showing their bravery, will be able to win extra points for their respective teams. Those extra points will depend on the number of members who overcome the challenges prepared for them. These tests will be situated in the most fearless rides of the Park.

Photographic trials on the rides

At the end of the rides, teams will have two vouchers to freely exchange for required photographs. These photographs will be taken by the participants during the ride, and team members will have to appear as indicated in the roadmap.

Games trials

In Far West game area, teams will find game huts. Teams will have 6 exchangeable coins for 2 free games, and so teams will have the chance to win dolls and get extra points for their teams.

Guessing riddles and answering questions about the Park

Questions, riddles and enigmas about different areas of the Park will have to be responded in the roadmap. It will not be necessary to get on the ride to answer these questions. Therefore the participants will know the details of the five worlds in which PortAventura is divided.
